

Genesis Farm

Dear Friend,

Thank you for your support of Genesis Farm in remembering family and friends who have died. We are happy to plant wildflowers in our Resurrection Garden in celebration of the life and memory of the dead. We are blessed that the memory of the dead is in the seeds of life.

Our annual Day of Remembrance is on the Saturday of Memorial Day weekend. We also have a special ceremony on November 2, the Day of the Dead. You are welcome to join us and to plant memorial bushes, flowers, or trees at that time.

To make a memorial, please complete the information below and return with your contribution to:

Genesis Farm, 41-A Silver Lake Rd., Blairstown, NJ 07825 908.362.6735
